AUDITS

Century Garage is responsible for ordering all physical and voluntary audits. No audit is necessary on policies with auditable premium less than \$5,000 unless you or Century Garage determines that the policy should be audited. Questions and documentation related to audits can be directed to either audits@centurysurety.com or your Century Garage underwriter.

PHYSICAL AUDITS

- Physical Audits are required on all policies with auditable premium in excess of \$5,000.
- Century Garage will order physical audits from our offices. We will also process and issue the necessary premium adjustment endorsements as necessary after we receive the Physical Audit Report.

UNCOLLECTIBLE AUDIT PROCEDURE

Once an audit endorsement is received by you, suspend it for payment and follow-up in 15 days if not paid. If, after 45 days but no more than 60 days from the date an endorsement is received, you have been unable to collect the premium, you may then return it to Century to take over the audit for direct collection.

If you have not returned the audit to Century for direct collection and we have not received payment from you within 60 days after the audit endorsement is mailed to you, the Audit Department will follow-up with you by fax or mail to request payment within the next 10 days. If the Audit Department does not receive a response from you within 10 days, we will take over the audit for direct collection.

Once Century has taken over an audit for direct collection, no commission is payable on the audit, unless you are subsequently able to collect (through your efforts) the audit, in which case, commission is payable at 50% of the original commission rate on the policy. Century reserves the right to determine if successful collection was “through your efforts”.

BROKER OF RECORD LETTERS

Century Garage will accept Broker of Record letters from two sources: the insured and the incumbent retail producer. Additionally, we will not, under normal circumstances, accept Broker of Record letters mid-term. In the instance of an unusual set of circumstances that could justify a mid-term change to the Broker of Record, please submit the full details of the situation to Century Garage for review.

Broker of Record letters are required only for accounts outside of your authority.

Requirements for acceptable Broker of Record letters are as follows:

- Letters from the Named Insured must:
 - Be issued on the insured's own letterhead.
 - List all Century policies to be amended including policy numbers and expiration dates.
 - Be signed and dated, stating that the letter applies to the renewal of the referenced policies.
 - List the retail broker and the new General Agent.
 - Be addressed to the issuing carrier (and can be in care of the new General Agent).
 - Be received by Century at least seven (7) business days prior to the renewal date (to allow for notification of the change to the incumbent General Agent).
- Letters from the Incumbent Retail Producer must:
 - Be issued on the producer's own letterhead.
 - List all Century policies to be amended including policy numbers and expiration dates.
 - Be signed and dated, stating that the letter applies to the renewal of the referenced policies.
 - Confirm that the letter-writer is the current producer writing this particular policy through the current General Agent and now wishes to place the renewal through the new General Agent (both General Agents must be identified as such).
 - Be addressed to the issuing carrier (and can be in care of the new General Agent).
 - Be received by Century at least seven (7) business days prior to the renewal date (to allow for notification of the change to the incumbent General Agent).

CERTIFICATES OF INSURANCE

Certificates of Insurance for Century Garage policies should be issued by our appointed General Agents. However, this responsibility may be delegated to the insured's agent under the following conditions:

- Only Acord Certificates of Insurance are permissible. If other certificate forms are needed, they must be submitted to Century Garage for consideration in advance.
- No terms or conditions of the policy are changed by the certificate.
- All certificates must be sent to the General Agent and reviewed by the appropriate parties within the General Agency for consideration in advance. Any certificates submitted to you outside of these guidelines must be rejected and sent back with written instructions to the insured's agent regarding the proper procedures to follow to correctly reissue the certificate. The reissued certificate must be sent back to you for approval.
- All changes to policy terms and conditions must be within your authority and endorsed onto the policy with a copy sent to Century Insurance Group. These include, but are not limited to, Additional Insureds, Waivers of Subrogation, mandatory Notices of Cancellation, Changes in Coverage, Limits, and Policy Periods.

Century Garage is not required to receive a copy of every Certificate of Insurance.

The General Agent (you) will be fully responsible and will indemnify Century Insurance Group for any and all errors and/or omissions contained within any Certificate and for the insured's agents' failure to issue any Certificate in full accordance with the guidelines herein.

CLAIMS

REPORTING NOTICES OF LOSS

Please report immediately to Century Claims all accidents or events that could likely give rise to a claim. Claims should be reported to the Century Home Office in Westerville, Ohio through one of the following methods:

- If the Notice of Loss contains only loss information and no attached documentation, the loss is best reported online (www.centurysurety.com/report-a-claim/).
- If the Notice of Loss contains attached documentation, the loss is best reported by fax to (614) 895-7040.
- If the Notice of Loss and related documentation are significantly longer than 20 pages, the loss is best reported by sending the entire package to Century Claims by overnight delivery.
- In rare circumstances, claims may be reported to Century Claims by phone to (800) 825-9489. Any reporting of a loss by telephone should be immediately followed by a written report noting that the loss had been reported and when the loss was reported to Century Claims.

SUMMONS AND COMPLAINT-HANDLING

Initially, an attempt should be made to discern “who” was served the lawsuit, “when” they were served the suit, and “how” the suit was delivered. However, transmission of the suit to Century Claims should not be delayed if this information is not immediately available. If this information cannot be obtained on the same day of your notice, simply forward the lawsuit to Century Claims immediately. Lawsuits should be delivered to Century Claims according to the following guidelines:

- If the lawsuit itself is approximately 20 pages or fewer, please fax the suit to (614) 895-7040. If significantly longer than 20 pages, the suit can be sent by overnight delivery. Information regarding “who” was served, “when” they were served, and “how” they were served can be supplemented later.
- The delivery of the suit by fax or overnight delivery should be accompanied by a phone call to Century Claims to (800) 878-7389 by an appropriate representative of the General Agency. This will ensure that the suit has been received and avoid potential difficulties in protecting the interests of the insured.
- When sending the lawsuit to Century Claims, indicate when the suit was received in your office.
- Lawsuits should not be sent to Century Claims by regular mail except as a photocopy/duplicate of documentation previously faxed or sent by overnight delivery.

ASSIGNMENT OF CLAIMS

The Claims Department at Century makes all assignments to independent adjusters and defense attorneys. When being advised of a loss, please advise or assist the insured in taking the necessary measures to make temporary repairs to mitigate further loss.

Opening and Closing Notices for Claims are provided to the General Agent. Inquiries regarding the current status of claims should be directed to the assigned claim examiner (noted on the Opening Notice). Our phone number for general claim information is (800) 878-7389.

All claim checks are issued by Century Insurance Group and this authority is not delegated to any agent.

DEALERS PHYSICAL DAMAGE COVERAGE

Dealers Physical Damage Coverage contemplates the dealer’s owned autos, inventory autos, consigned autos, and autos held for sale. The following conditions apply to Century Dealers Physical Damage Coverage:

- Monoline Dealers Physical Damage Coverage is available.
- Excess Dealers Physical Damage Coverage is **not** available.
- Limits for Dealers Physical Damage Coverage may not be layered. The full Dealers Physical Damage exposure must be covered to be acceptable in the Century Garage program.
- A 100% coinsurance provision applies to all Dealers Physical Damage Coverage. Limits of insurance must be insured to-value to avoid a coinsurance penalty.

CATASTROPHIC EXPOSURES

Dealers Physical Damage Coverage is limited in areas prone to catastrophes. The following guidelines apply:

- Wildfire: Refer to the [Wildfire Guidelines](#) for state-specific details.
- Windstorm and Hail: Refer to the [Wind/Hail Guidelines](#) for state-specific details.
- Earthquake, Flood, and Mudslide: These exposures are excluded in all states.

THEFT COVERAGE

Theft Coverage availability is determined by the location's protective safeguards used for storage of the autos, though coverage buyback options may also apply:

- Protected Lots – When the premises are closed for business:
 - All entrances, exits, and openings to the premises as well as the entirety of the perimeter of the premises must be surrounded by fences with locked gates.
 - The building doors, windows, and other openings must be secured and locked.
- Buyback: Theft from Unprotected Lots
 - Theft Coverage can be bought back under your authority when otherwise excluded for unprotected lots under the following conditions.
 - 1) The premises must be located in a town with a population not exceeding 50,000.
 - 2) The premises must be 5 miles or more from any major metropolitan areas.
 - 3) The premises must have adequate lighting after-hours.
 - 4) There must not have been any theft losses in the past 3 years.
 - Risks that do not meet 1) and 2) above may be eligible for Theft Buyback coverage (by submission to your Century Garage underwriter). A minimum \$2,500 deductible per auto with no Maximum Deductible per Loss applies.

Requirements for False Pretense Coverage:

- All test drives must be conducted with the accompaniment of a salesperson.
- No overnight test drives are permitted.
- No False Pretense losses in the past 3 years

DOCUMENTATION

It is the responsibility of the General Agent to obtain and forward all required documentation for an account in a timely manner. Failure to provide these required underwriting documents will result in the cancellation of coverage. Documents for the underwriting file should be sent by email to images@centurysurety.com.

The following documents are required within 30 days of binding coverage:

- A Completed and Signed Auto Dealers and Garage Application (and any applicable Supplementals)
- A minimum of three years of Loss Experience:
 - Three-year, currently-valued, hard copy Loss Runs are required if:
 - The policy premium exceeds \$5,000 **or**
 - The policy packages Property Coverage.
 - Prior Carrier Loss Information is sufficient if:
 - The policy premium does not exceed \$5,000 **and**
 - The policy is not packaged with Property Coverage.
 - A No Known Loss Letter (signed and dated by the Named Insured) is required if:
 - There is a lapse in coverage **or**
 - If the Loss History on the application is incomplete.
- Motor Vehicle Reports: Currently-valued MVRs for all drivers (as applicable)
- Uninsured, Underinsured, or PIP Selection-Rejection Forms (as applicable)
- Inspections (please see [Inspections](#) for full Inspection Requirements)

DRIVER ELIGIBILITY REQUIREMENTS

Drivers must meet the following described criteria to qualify as eligible for coverage under Century Garage and Auto Dealer policies. If any driver does not meet these guidelines, that driver must be excluded from any driving exposures covered under the policy. Accounts including drivers with adverse driving histories should be priced appropriately for the increased exposure.

Driver Qualification Requirements

- Drivers must be at least 18 years old.
 - Liability limits for drivers younger than 21 years old are automatically limited to the minimum statutory limits for the jurisdiction.
- Drivers must possess a valid United States Driver's License.
- Personal Use of a covered auto is available only to Owners, Partners, Members, and their spouses as well as current employees. These drivers must:
 - Meet all other Driver Qualification Requirements.
 - Have at least five years of driving experience.
 - Have their names be specifically scheduled on the Century policy (CAG 1704/CAG 1904).
- Owners and Partners of an insured proprietorship or partnership (whether active or inactive) cannot be excluded from coverage. Therefore, any not meeting these Driver Qualification Requirements will require that the account be declined or cancelled.
- Officers and Members of corporations and LLCs may be excluded from coverage so long as the account always maintains at least one acceptable driver.
- The following circumstances require submission to your Century Garage underwriter for consideration:
 - Any driver with a Driver's License from a state other than that of the described premises
 - Any driver with an Ignition Interlock/Breathalyzer Device restriction on their license
 - Any driver at least 75 years old
 - Any driver with a Major Violation (as described below)
 - Any driver with 4 or more Minor Violations (as described below)
 - Any driver with 2 or more Accidents (regardless of At-Fault or Not-At-Fault)

Major Violations

- Driving while Impaired/Intoxicated (DWI), Driving under the Influence (DUI), Open Container, or Implied Consent
- Driving without a valid License (Suspended and Revoked Licenses are not valid Licenses)
- Leaving the Scene of an Accident (Hit & Run)
- Narcotics Violations
- Felony Convictions
- Reckless Driving (not including Careless Driving)
- Speed Contests or Racing
- Speeding in excess of 20mph over the posted speed limit

Minor Violations

- All moving violations not classified above as Major Violations.

Accidents

- All accidents are considered to be At-Fault unless a police report is obtained indicating otherwise.

DRIVER HISTORY & MOTOR VEHICLE REPORT REQUIREMENTS

The General Agent is responsible for obtaining Motor Vehicle Reports (MVRs) when required. These must be forwarded to Century Garage within 30 days of binding or with the addition of any new employees during the policy period. Of note:

- MVRs are required for only those classes as noted on the Garage Classification Table and on risks with Scheduled Autos.
- For new business, MVRs with at least three years of history are required for **all** owners, employees, and drivers (that have not been otherwise excluded from coverage as drivers) when required as per the Century Garage Classification Table. Renewal Business instructions are included in the [Renewal Instructions and Requirements](#).
- MVRs must include, at minimum:
 - Date of Birth
 - Legal Name
 - Violations for the past 3 years
 - Expiration Date
 - Class of License
 - Status of License
 - Report Date of the MVR

ENDORSEMENTS

It is the responsibility of the General Agent to issue all endorsements and, where submission to Century Garage is not required, it is in your authority to do so. An Endorsement Training Guide is available in Century Online by selecting “Garage Downloads” in the left panel under “Quoting” and scrolling to “Endorsement Training and Forms”.

The following conditions apply to the issuance of endorsements:

- The backdating of coverage is prohibited.
- All Additional Insured premiums are considered to be fully earned.
- All endorsements with an Additional or Return Premium must include a quote/rate and should be sent by email to images@centurysurety.com.

FEES

Fees may be applied to each policy subject to state regulations and the General Agent is responsible for applying all applicable fees and taxes to the quotes. These fees include, but are not limited to, Policy Fees, Inspection Fees, and Broker Fees.

FILINGS

All required State Filings are to be completed and filed by your office. Copies of these filings must be provided to Century Garage. Your office is also responsible for the cancellation of all State Filings, whether due to a mid-term cancellation or policy expiration.

Any risk requiring Federal Filings is prohibited within Century Garage programs.

GARAGEKEEPERS COVERAGE

Garagekeepers Coverage contemplates customer's autos in the care, custody, and control of the insured and does not contemplate the dealer's inventory or owned autos. When offering Garagekeepers Coverage, it is imperative that the Lot Limit reflect the total exposed values. Neither the Auto Dealers Coverage Form nor the Garage Coverage Form apply a coinsurance penalty. A minimum valuation of \$5,000 per auto or parking space is advised when calculating the correct Garagekeepers Coverage limit.

The following apply to Garagekeepers Coverage in the Century Garage program:

- Monoline Garagekeepers Coverage is available.
- Excess Garagekeepers Coverage is **not** available.
- Limits for Garagekeepers Coverage may not be layered. The full Garagekeepers exposure must be covered to be acceptable in the Century Garage program.
- Consigned Autos and Autos Held-for-Sale should be covered under [Dealers Physical Damage Coverage](#).

CATASTROPHIC EXPOSURES

Direct Primary or Direct Excess Garagekeepers Coverage is not permitted in areas prone to catastrophes. Coverage on a Legal Liability basis may still be available. The following guidelines apply:

- Wildfire: Refer to the [Wildfire Guidelines](#) for state-specific details.
- Windstorm and Hail: Refer to the [Wind/Hail Guidelines](#) for state-specific details.
- Earthquake, Flood, and Mudslide: These exposures are excluded in all states.

THEFT COVERAGE

Theft Coverage availability is determined by the location's protective safeguards used for the for storage of the autos, though coverage buyback options may also apply:

- Protected Lots – When the premises are closed for business:
 - All entrances, exits, and openings to the premises as well as the entirety of the perimeter of the premises must be surrounded by fences with locked gates.
 - The building doors, windows, and other openings must be secured and locked.
- Buyback: Theft from Unprotected Lots
 - Theft Coverage can be bought back under your authority when otherwise excluded for unprotected lots under the following conditions.
 - 1) The premises must be located in a town with a population not exceeding 50,000.
 - 2) The premises must be 5 miles or more from any major metropolitan areas.
 - 3) The premises must have adequate lighting after-hours.
 - 4) There must not have been any theft losses in the past 3 years.
 - Risks that do not meet 1) and 2) above may be eligible for Theft Buyback coverage (by submission to your Century Garage underwriter). A minimum \$2,500 deductible per auto with no Maximum Deductible per Loss applies.

HIRED AUTO LIABILITY COVERAGE

Coverage for Hired Auto Liability is available for use by adding Symbol 28 under the following conditions and considerations:

- This Symbol cannot be used in conjunction with Symbol 21 (“Any Auto”).
- Hired Auto Physical Damage coverage is not available within Century Garage.
- Hired Auto Liability coverage is for autos that the Named Insured leases, hires, rents, or borrows from others, but not from your employees, partners, members, or members of their households.

INCIDENTAL GENERAL LIABILITY CLASSIFICATIONS

When in conjunction with Auto Dealer operations or Garage operations, certain General Liability classes can be contemplated on an incidental basis (no more than 20% of the total exposure) for no additional premium.

If the General Liability class operations exceed 20% of the total exposure, additional rating will be required. Notably, if the Garage or Auto Dealer operations must be rated outside of Century Online in an Excel-based rater, you will need to use COL to determine the applicable additional premium for these classes.

The following General Liability classes are available to be added to Auto Dealer Coverage Form and Garage Coverage Form policies through Century Garage. Other General Liability classes cannot be written on a Century Garage coverage form or packaged and will require the placement of a separate policy on a General Liability Coverage Form.

Acceptable Incidental General Liability Classes:

- 10071 – Auto Parts and Supplies Stores
- 91190 – Automobile Dismantling

INSPECTIONS

You must charge an inspection fee to pay for the cost of any required inspections. This is the responsibility of the General Agent.

- **The General Agent is responsible for ordering inspections on each Location (whether the account was written on a Binding, Submit, or Brokerage basis).**
- If the General Agent would prefer to have Century Garage order the inspection, it must be advised at the time of binding and a fee of **\$175 per inspection** will be charged.

Inspections should be ordered within a few days of binding. Inspections should focus on Garage and Auto Dealer Operations (vs. GL/Property) and must include pictures.

- Inspection Requirements and Inspection Training documents can be found in Century Online by selecting “Garage Downloads” in the left panel under “Quoting” and scrolling to “Training Materials”.
- All risks packaged with Property coverage must adhere to both the Century Garage Inspection requirements as well as the Century Property Inspection requirements outlined in the Electronic Underwriting Manual (EUM).
- Inspections are not required for Mobile Operations or Wholesale Auto Dealers (unless packaged with Property coverage).
- Accounts with less than \$1,500 in premium: No inspection is required (unless packaged with Property coverage)
- Accounts with less than \$15,000 in premium: An inspection is required on all new business and renewal business every three years.
- Accounts with premium in excess of \$15,000: An inspection is required every year.

Responsibilities of the General Agent regarding Inspections:

- Review the inspection before sending it to the Company along with a copy of your recommendation compliance letter (if applicable).
- Follow the Underwriting Guidelines for classification, rate, and required forms resulting from any changes in exposure revealed by the inspection.
- Endorse the policy when the inspection reflects an increase in exposure. This will minimize audit premiums after policy expiration.
- Forward the signed Recommendation Compliance Letter to the Company within 30 days.
- Send a Notice of Cancellation if you are unable to obtain recommendation compliance within 30 days.

Questions can be referred to your Century Garage Underwriter. Completed Inspection Reports and Recommendation Compliance Letters should be submitted to Century Garage via email to inspections@centurysurety.com.

INSURANCE DEPARTMENT COMPLAINTS

Insurance Department complaints are inevitable and must be handled as priority items. We will make every effort to handle complaints directly with the Insurance Department, but your assistance will sometimes be required to aid in developing background information. When needed, please understand that we are dealing with time constraints and we will expect your prompt response. In the event that you receive contact or correspondence directly from the Insurance Department or other regulatory or governmental authority, please notify us within 24 hours.

LAPSES IN COVERAGE

Lapses are permitted with a signed and dated No Known Loss Letter at the time of binding.

LICENSE PLATES

Dealer Plates are license plates used by Auto Dealer operations to move and operate vehicles in their inventory that are owned, but not registered with a state government. Similarly, Registration Plates are license plates used by both Auto Dealers and Non-Dealer operations to move and operate non-owned vehicles in their care. These may be referred to by various state governments as either Repairer Plates or Transporter Plates.

To include coverage for non-owned autos bearing Registration Plates, the following forms must be used. Registration Plate numbers must be scheduled on the form for every Registration Plate contemplated. These forms are **not** available in the state of New York. In the state of Florida, a minimum Liability limit of \$100,000 is required with these plates.

- Auto Dealers: CAG2027a (Registration Plates used on Non-Owned Autos)
- Non-Dealers: CAG2027 (Registration Plates used on Non-Owned Autos)

LOSS RUNS

Century Garage Loss Runs can be downloaded directly from Century Online for the following carriers. To download from COL, select “Loss Run Report” in the left panel under “Reports”.

- Century Surety Company [Prefix: CCP]
- ProCentury Insurance Company [Prefix: PIC]
- AmeriTrust Insurance Corporation [Prefix: AIC]
- United Specialty Insurance Company [Prefix: USA]

The following carrier loss runs are not available in COL, but can be requested directly from Century by emailing images@centurysurety.com.

- Star Insurance Company [Prefix: CA]
- Savers Insurance Company [Prefix: SVR]

MINIMUM POLICY PREMIUMS

The Advance Premium shown on the Declarations page of the policy is considered to be the Minimum and Deposit Premium. Please indicate this on any binders you issue. The minimum policy premium within Century Garage is \$750 for all policies. Exceptions to this minimum premium require a submission to Century Garage for consideration.

NAMED INSUREDS

Policy issuance requests must include the complete Named Insured to guarantee processing. Please include any DBAs and Trade Names used by the insured as well as legal entity names.

If an endorsement is needed to list all of the named insureds, use form **CSCP 1003** (or the corresponding form for the issuing company for the policy). *Example:* The named insured is completed to read as follows:

1. Jones Brothers, Inc.
2. Jones & Jones, A Partnership
3. Jim Jones DBA: JJJ Service
4. Bret Jones, An Individual
5. Jones Services LLC

Be sure that when faced with multiple named insureds on a policy that you find out what the insurable interest in the risk is for each named insured. Please document your submission with this information. Additionally, as certain conditions within the coverage form make reference to the first named insured, be careful when presenting the list of named insured such that the first named insured is the desired first named insured.

If asked to add new named insureds mid-term, find out when the entity was started and what have they done since their inception. If it is not brand-new, then submit full details to your Century Garage underwriter before agreeing to add them to the policy.

The following are **not** permissible as named insured language:

1. *Et al.* means “and others”. Use of this wording could make everyone a party to the insurance contract.
Example: John Doe, et al.
2. *Et cetera* (or *etc.*) means “and the rest” and could yield similar results as noted above for *et al.*
Example: John Doe; Jane Doe; etc.
3. ATIMA is an acronym for “As Their Interests May Appear”. This wording allows an insured to assign their interest in an insurance contract to another party.
Example: John Doe ATIMA
4. Individuals cannot do business as (DBA) a Corporation or a Limited Liability Company (LLC). These are separate business entities and an insured cannot be both entity types.
Example: John Doe DBA: John’s Burgers LLC
5. The use of “and/or” as part of a named insured. Use a semicolon instead (;)
Example: Jim and/or Jackie Smith
Correct: Jim Smith; Jackie Smith
6. A Corporation DBA: Another Corporation
7. A Corporation DBA: LLC
8. ISAOA is an abbreviation for “Its Successors and/or Assigns” and should not be added to a named insured for reasons similar to those described for ATIMA.

Permissible Named Insured Language:

A corporation can do business under a trade name, assumed name, or registered name.

Example: Muttonchops LLC DBA: The Backyard Burger

Care should be taken to ensure the proper order of the entity names to avoid confusion.

PACKAGING POLICIES

Auto Dealers Coverage Form and Garage Coverage Form policies within Century Garage can be packaged with Property and Inland Marine coverages. Please note that packaging Inland Marine Coverage (Contractor’s Tools & Equipment) requires submission to Century Garage for consideration.

When packaging two policies with Liability limits within Century Garage for the same account, please offer matching limits of liability. Please refer to the Electronic Underwriting Manual (EUM) within Century Online for rates and rules for any coverages other than those Auto Dealers and Garage coverages discussed in these guidelines. All coverages packaged with a Garage or Auto Dealers policy through Century Garage will be handled by Century Garage staff in lieu of other divisions within Century Insurance Group.

POLICY ISSUANCE

All Century Garage and Auto Dealer policies are issued and processed by Century. These will be forwarded to you within 30 days of receiving all pertinent information. It is the responsibility of the General Agent to promptly provide the complete information necessary for policy issuance and it is the responsibility of the General Agent to respond promptly to requests missing or incomplete information.

The following information is required for policy issuance:

- A Policy Issuance Coversheet has been provided to aid you in creating a complete issuance package. Use of this checklist will prevent the inadvertent omission of critical information that will delay policy issuance. This can be found in each of the Excel-based raters as well as in Century Online. To find a copy of the Policy Issuance Coversheet in COL, select “Garage Downloads” in the left panel under “Quoting” and scroll to “Training Materials”.
- All applications and applicable Supplementals are required. Please also include the name and address of the Retail Agency.
- A copy of the Rating Worksheet (as well as any General Liability, Property, or Inland Marine rates as applicable), whether Excel-based or from COL.
- Additional Information
 - If any drivers are Furnished Autos by the insured, the Name, Title, Job Position, and Age of each applicable driver are required.
 - If any drivers are being specifically excluded, the Name of each applicable person to be excluded is required.
 - If there are any Additional Insureds for the account, the Name, Address, and Interest are required. Note that if the Additional Insured information is not received within five (5) days of binding, the policy will be issued without the requested Additional Insured form.

POLICY TERMS

Policies may be written for any term at least 6 months and no more than 12 months in length. All policy extensions and any policy terms less than 6 months or greater than 12 months must be submitted to Century Garage for consideration.

PREMIUM DEVELOPMENT

AUTO DEALERS LIABILITY

Coverages written on the Auto Dealers Coverage Form through Century Garage are rated using Rating Units to quantify the exposure. Rating Units are calculated by considering the number of eligible drivers and their relationship to the insured under the classes below. Please see the following for the Rating Units to be applied per driver in each category and sub-category and note that the minimum number of Rating Units for a policy in Century Garage on the Auto Dealers Coverage Form is **1.50 Rating Units**.

Class I: Employees

Regular Operators include Proprietors, Partners, and Officers active in the auto dealership operations, salespersons, general managers, service managers, and any employee whose principal duties involve the operation of covered autos. Part-time employees are defined as working fewer than 20 hours per week.

- Full-Time and Furnished a Covered Auto for Personal Use 1.00 Rating Units
- Full-Time and Not Furnished an Auto 0.75 Rating Units
- Part-Time and Furnished a Covered Auto for Personal Use 1.00 Rating Units
- Part-Time and Not Furnished an Auto 0.25 Rating Units

All Other Employees include employees that are not principally involved with the operation of covered autos (including Clerical Personnel, Lot Personnel, Mechanics, and Excluded Drivers). Part-time employees are defined as working fewer than 20 hours per week.

- Full-Time 0.40 Rating Units
- Part-Time 0.20 Rating Units

Class II: Non-Employees

Persons other than employees regularly furnished covered autos for personal use include Inactive Proprietors, Partners, Officers, and their Spouses. Each individual is counted for Rating Units by age:

- Younger than 25 Years: 1.15 Rating Units
- 25 Years and Older: 1.00 Rating Units

Class III: Contract Drivers

Drivers other than employees who are hired on a temporary basis for pick-up and delivery of covered autos without other coverage in place for driveaway exposures are rated on a scheduled or blanket basis:

- Scheduled Drivers: 0.10 Rating Units
- Blanket Coverage for Non-Scheduled Drivers: 0.50 Rating Units

GARAGE NON-DEALERS LIABILITY

Coverages written on the Garage Coverage Form through Century Garage are rated using modified Payroll to quantify the exposure. Payroll for rating is calculated by considering the number of working personnel. Please see the following for the modified Payroll to be applied per individual in each category and note that the minimum amount of Payroll for a policy in Century Garage on the garage Coverage Form is **\$7,800**.

Payroll for rating all personnel is determined by a fixed number per person. Each full-time individual is counted as \$5,200 in annual payroll for rating while part-time individuals are counted as \$2,600 in annual payroll for rating. Part-time individuals are defined as working fewer than 20 hours per week.

PREMIUM FINANCING

The General Agent must notify Century Garage of every policy for which premium has been financed. Premium Finance Notices can be sent by email to images@centurysurety.com. Please refer to [Cancellations and Reinstatements](#) for additional information.

RATING

CENTURY ONLINE QUOTING

Most coverages in most states are available for rating through Century Online (COL). Please refer to the Garage State Availability document in Century Online (COL) for current information regarding available coverages in COL.

Access COL using your credentials and quote through the Quoting links in the left panel.

CENTURY ONLINE GARAGE DOWNLOADS

For coverages and states not accessible through COL's internal rating systems, rating is available through Excel workbooks that you can download through COL. You can find these by selecting "Garage Downloads" in the left panel under "Quoting" and scrolling to "Current Garage Rating Programs". Workbook titles include references to states and coverages accessible through that workbook and include the effective date of the rating program. It is recommended that you download a new copy for each account as not all updates to these workbooks are explicitly announced.

RENEWAL INSTRUCTIONS AND REQUIREMENTS

All renewals in the Century Garage program must meet current underwriting guidelines and follow current pricing guidelines. Renewal Certificates will not be issued by Century Garage nor are they permissible for our General Agents or the insured's agent to issue.

Renewal business should be submitted to your Century Garage underwriter for approval in the following circumstances:

- Any new or previously undisclosed losses that:
 - Incur an excess of \$25,000 (whether the loss is open or closed)
 - Contribute to the risk having three or more distinct losses in the past three years (whether the losses are open or closed)
- Any drivers failing to meet the [Driver Eligibility Requirements](#)
- Classes of Business indicated as "Submit" within the Century Garage Classification Table
- Premium, Limits, or Coverages outside of your authority
- Risks offering Overnight Test Drives

Compliance with the following documentation guidelines is required for all renewal business:

- Updated Employee Lists are required annually.
- A newly updated and signed Garage and Auto Dealers Application (and any applicable Supplementals) is required every other year.
- [Motor Vehicle Reports](#) (MVRs)
 - MVRs are required for all new drivers.
 - Updated MVRs are required for any driver with a lapsed or expired license.
 - Updated MVRs are required for drivers with valid licenses every other year.
- As applicable, Uninsured/Underinsured/PIP Selection-Rejection Forms are required every other year.
- Inspections
 - Policies with \$1,500 in premium or less do not require an inspection unless packaged with Property coverage.
 - Policies with \$15,000 in premium or less require an inspection every three years.
 - Policies with premium exceeding \$15,000 require an inspection every year.
 - Inspections may also be required at the discretion of Century Garage.
 - All risks packaged with Property coverage must adhere to both the Century Garage Inspection requirements as well as the Century Property Inspection requirements outlined in the Electronic Underwriting Manual (EUM).

SURPLUS LINES LAWS AND LICENSING

You are required to comply with all applicable laws and regulations of the state(s) in which you operate as respects the procurement and placement of insurance (including without limitation, obtaining and maintaining all necessary licenses). You shall provide the appointing authority in each state with all the required filings, affidavits, and reports. You are responsible for collection and payment of all excess and surplus lines premium taxes or other required taxes or fees that may become due to any taxing authority within the boundaries of any state or commonwealth. You are required to fully cooperate with the Company in connection with any regulatory investigation or examination. Non-compliance with State laws will result in fines to our Company which will be passed back to the General Agency.

TRIA AND TERRORISM

Both the Auto Dealers Coverage Form and Garage Coverage Form are exempt from the Terrorism Risk Insurance Acts and coverage is not available from the Century Garage Division.

WILDFIRE AND WIND/HAIL GUIDELINES

GENERAL GUIDELINES

Wildfire States

Century Garage considers the following states to be prone to wildfires (based on data from HazardHub©). Dealers Physical Damage coverage should be avoided in High or Very High rated zones for wildfire. Garagekeepers coverage should be limited to a Legal Liability basis in High or Very High rated zones for wildfire. To check a wildfire rating, contact your Century Garage Underwriter or add property coverage.

CLASSIFICATIONS

CLASSIFICATION INDEX

Please refer to the [Classification Index](#) for the full list of classifications and links to their Descriptions and Considerations. All classifications contemplate Private Passenger vehicles only unless otherwise noted.

CLASSIFICATION LIMITATION ENDORSEMENT

Form CAG1719/1919 (Limitation of Coverage – Schedule of Operations) is automatically added to every policy. Classifications selected when rating (whether in COL or in an Excel-based rater) will be listed on this form. Additionally, some classifications will carry instructions to manually add language to this form when not explicitly selecting the classification. This language must be added on the quote's form list.

For an example, see the considerations associated with the [Dealers – Wholesale/Broker/Internet](#) classification.

MOTOR VEHICLE REPORTS

Motor Vehicle Reports (MVRs) are required for all Owners, Employees, and Drivers for any account with a Dealer classification, Valet classification, or Scheduled Auto. MVRs must include, at minimum:

- Date of Birth
- Legal Name
- Violations for the past 3 years
- Expiration Date
- Class of License
- Status of License
- Report Date of the MVR

OTHER AVAILABLE LINES OF BUSINESS

Century Insurance Group also offers the following insurance products through its various divisions:

- General Liability
- Property
- Inland Marine
- Excess/Umbrella
- Environmental
- Ocean Marine

Your Century Garage Underwriter can help you connect with your underwriter in each of those divisions.

SERVICE/REPAIR OPERATIONS

The Owner/Lead Mechanic for any insured offering Service or Repair Operations must have at least three (3) years of experience in the Auto Service/Repair industry.
